Back to dance this Monday!! We hope everyone is enjoying their time off for Spring Break. We are also excited to be back because the recital is just around the corner! The Center Stage instructors are putting the finishing touches on their recital numbers, and they will soon begin perfecting them.

We are currently looking for helper parents to assist backstage on the day of the recital. Helper parents will each receive a Summer credit for participating (\$10 for any one session or \$15 for more than one session). A sign up sheet for each class will be posted in the lobby mid-April. In addition, each class will have their picture taken this month for the recital slide show. Don't forget that recital tickets go

on sale Monday, May 16th. In order to purchase your tickets, all outstanding fees must be current. Final tuition balance statements will be distributed during classes the second week of May.

We are looking forward to a fun recital in June that everyone can enjoy. Please talk to your children about cheering for their friends in a positive way without disrupting others around them. The recital is a great event where parents and grandparents like to come and watch. Just a reminder that there is no video taping allowed.

Any dancers at Center Stage that are currently Seniors are welcome to participate in this year's Senior Spotlight at the recital. Please let the office know if you plan on participating in a one minute solo or duet at this year's recital.

Congratulations to our students of the month for April, Kylie Gaspar, Carly Sendaydiego and Nicolette Pilalis. Kylie was selected for her energy & enthusiasm, Carly for being such a good listener & Nicolette for her positive attitude & being a good team player. Congratulations dancers!

We are currently planning our summer schedule. Summer classes will tentatively begin July 5th, with Aspire master classes starting July 11th. It is strongly recommended that students attend summerclasses so that way we can keep learning new things and dancers stay sharp for the fall!
